Dr. Joshua Lederberg
Department of Genetics
College of Agriculture
The University of Wisconsin
Madison 6, Wisconsin

Dear Dr. Lederberg

Thank you very much for the reprints and bibliographic list. They will be most useful. I have used Braun's book as a reading reference and it is a help as such. I have also found the collection of "Papers in Microbial Genetics" very handy.

Thank you for your kindness.

Yours very truly

Nora Neilson
Assistant Professor
of Dairying
